SUBJECT: New Infant Feeding Lesson, *IF-000-26 CCNE: Baby Bingo*

The new Client-Centered Nutrition Education (CCNE) lesson, **IF-000-26 CCNE: *Baby Bingo***, is available now in the *Infant Feeding* category on the WIC Lesson Plans website at <http://www.dshs.state.tx.us/wichd/nut/ilessons-nut.shtm>. This CCNE lesson uses group discussion and focuses on basic guidelines when introducing solid foods to infants. A Bingo game is included to make it fun and exciting.

Please note that **effective August 1, 2014**, IF-000-26 CCNE: *Baby Bingo* will replace IF-000-16 *Baby's First Spoonful: Tips for Starting Solids* and IF-000-17 *Starting Solids Foods- An Infant Class with Activities*. IF-000-16 and IF-000-17 will be deleted from the WIC website, TXWIN, and the online Nutrition Education and Breastfeeding (NEBF) Plan class list. Please revise your NEBF class schedule to reflect these changes.

Once you have comfortably taught a new lesson a few times, please complete the *Staff New Lesson Evaluation Survey* online at <http://www.surveymonkey.com/s/CSBZ28K>. Please also have thirty clients per Local Agency complete the *Client New Lesson Evaluation Survey* (Scantron form) during the evaluation period dated on the lesson plans. Once the evaluation period for a new class ends or your agency has collected thirty surveys, do not send any more surveys. These class evaluations are very important for the State Agency to continuously improve its lessons.

If you would like to add these new lessons to your current *Nutrition Education Class Schedule*, please make the change(s) to your online *Nutrition Education Plan* or contact your State Nutrition Education Liaison for additional information.
